

ASSIGNMENT-2

Visualization 1- DONUT CHART

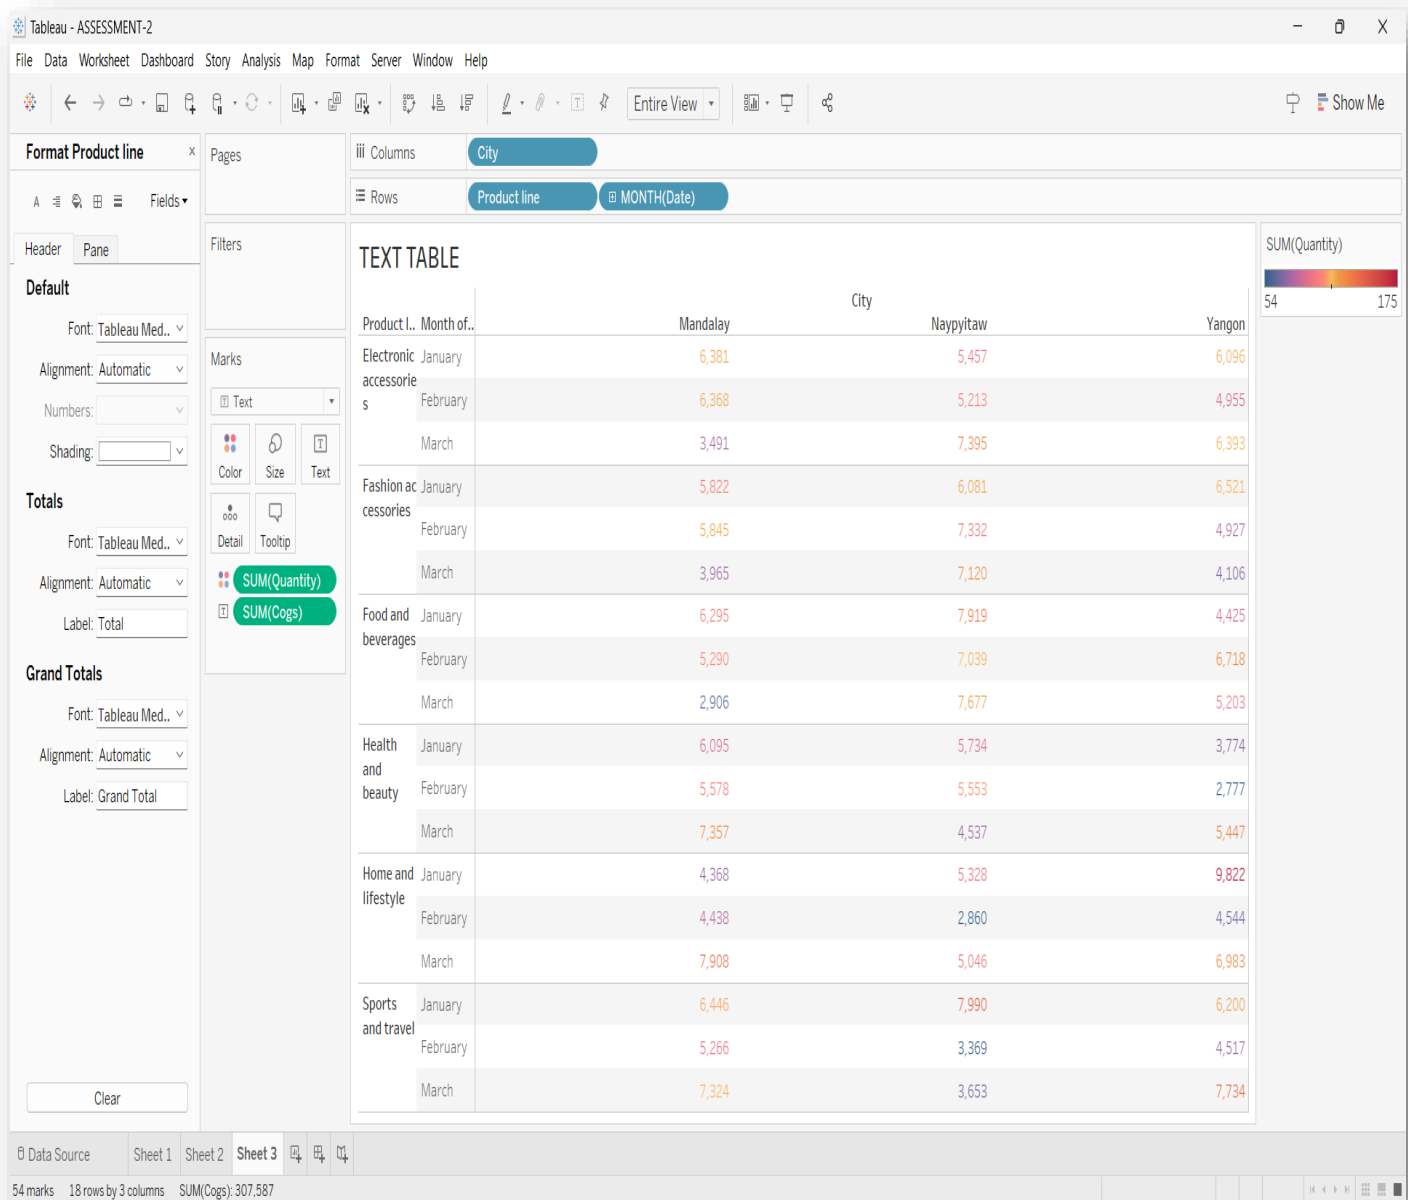

Here, we have illustrated the donut chart for all types of products available and Total cogs.

Visualization 2 - AREA CHART

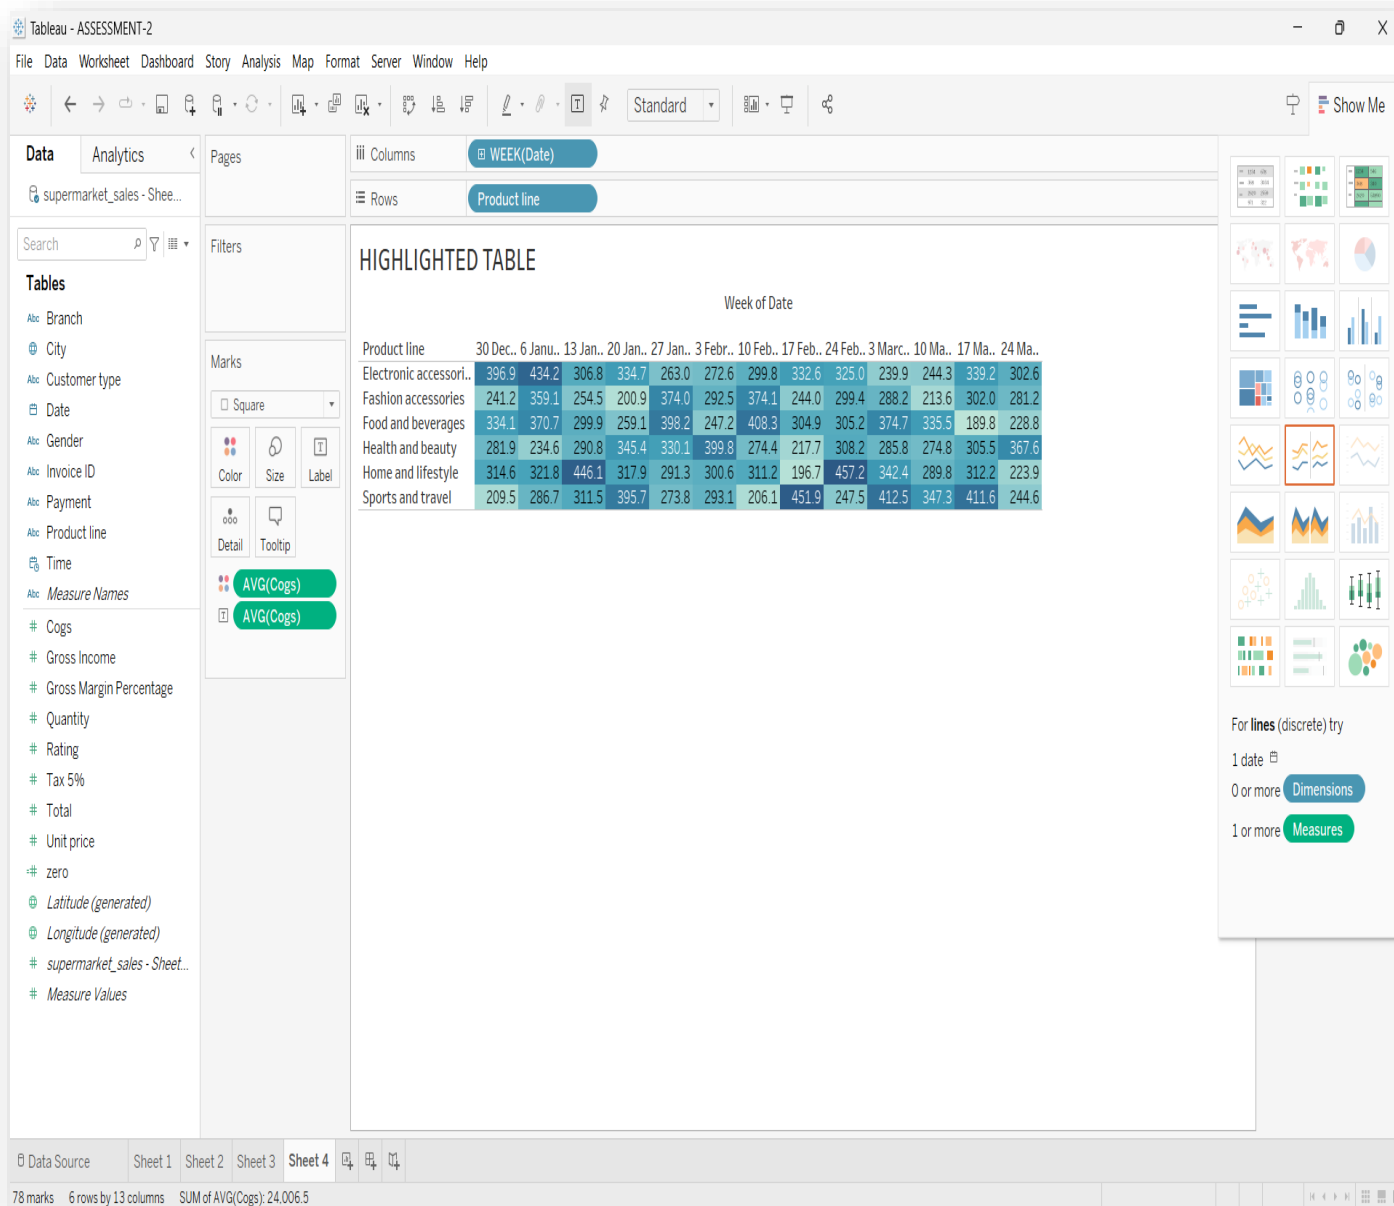

Here we have illustrated the area chart for total and days in a month in running sum total format.

Visualization 3 – TEXT TABLE

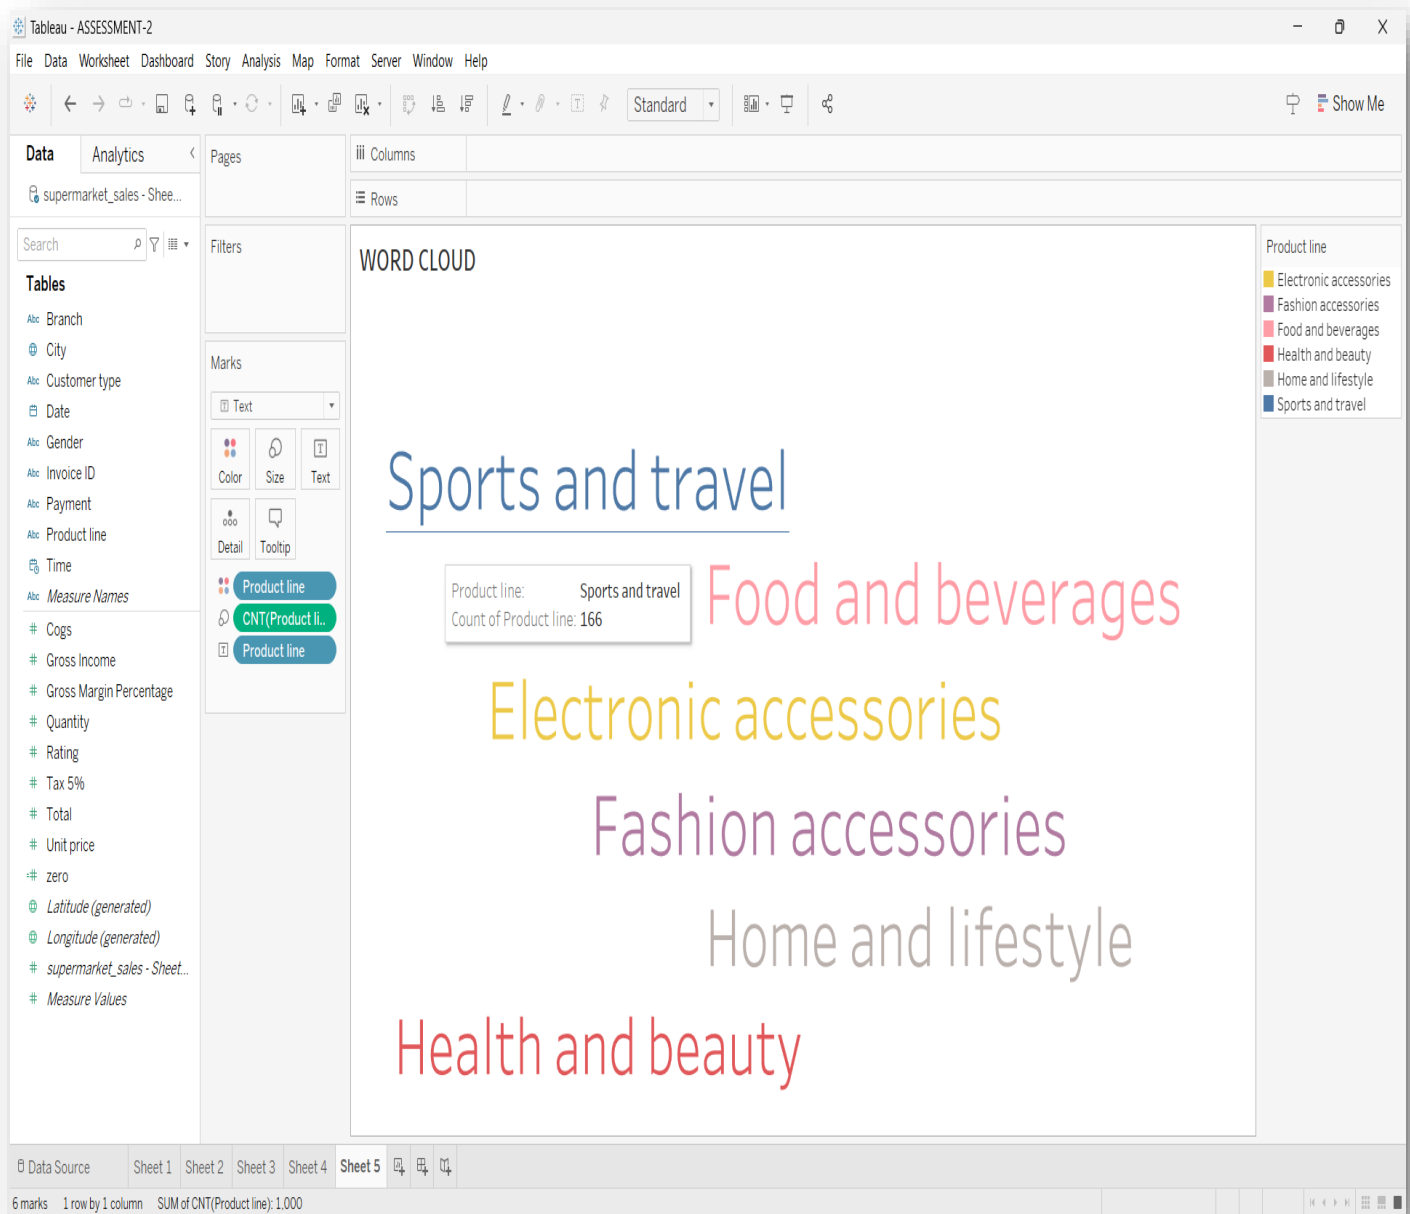

Here we have illustrated a text table for city and product line, month of the date.

Visualization 4 – HIGHLIGHTED TABLE

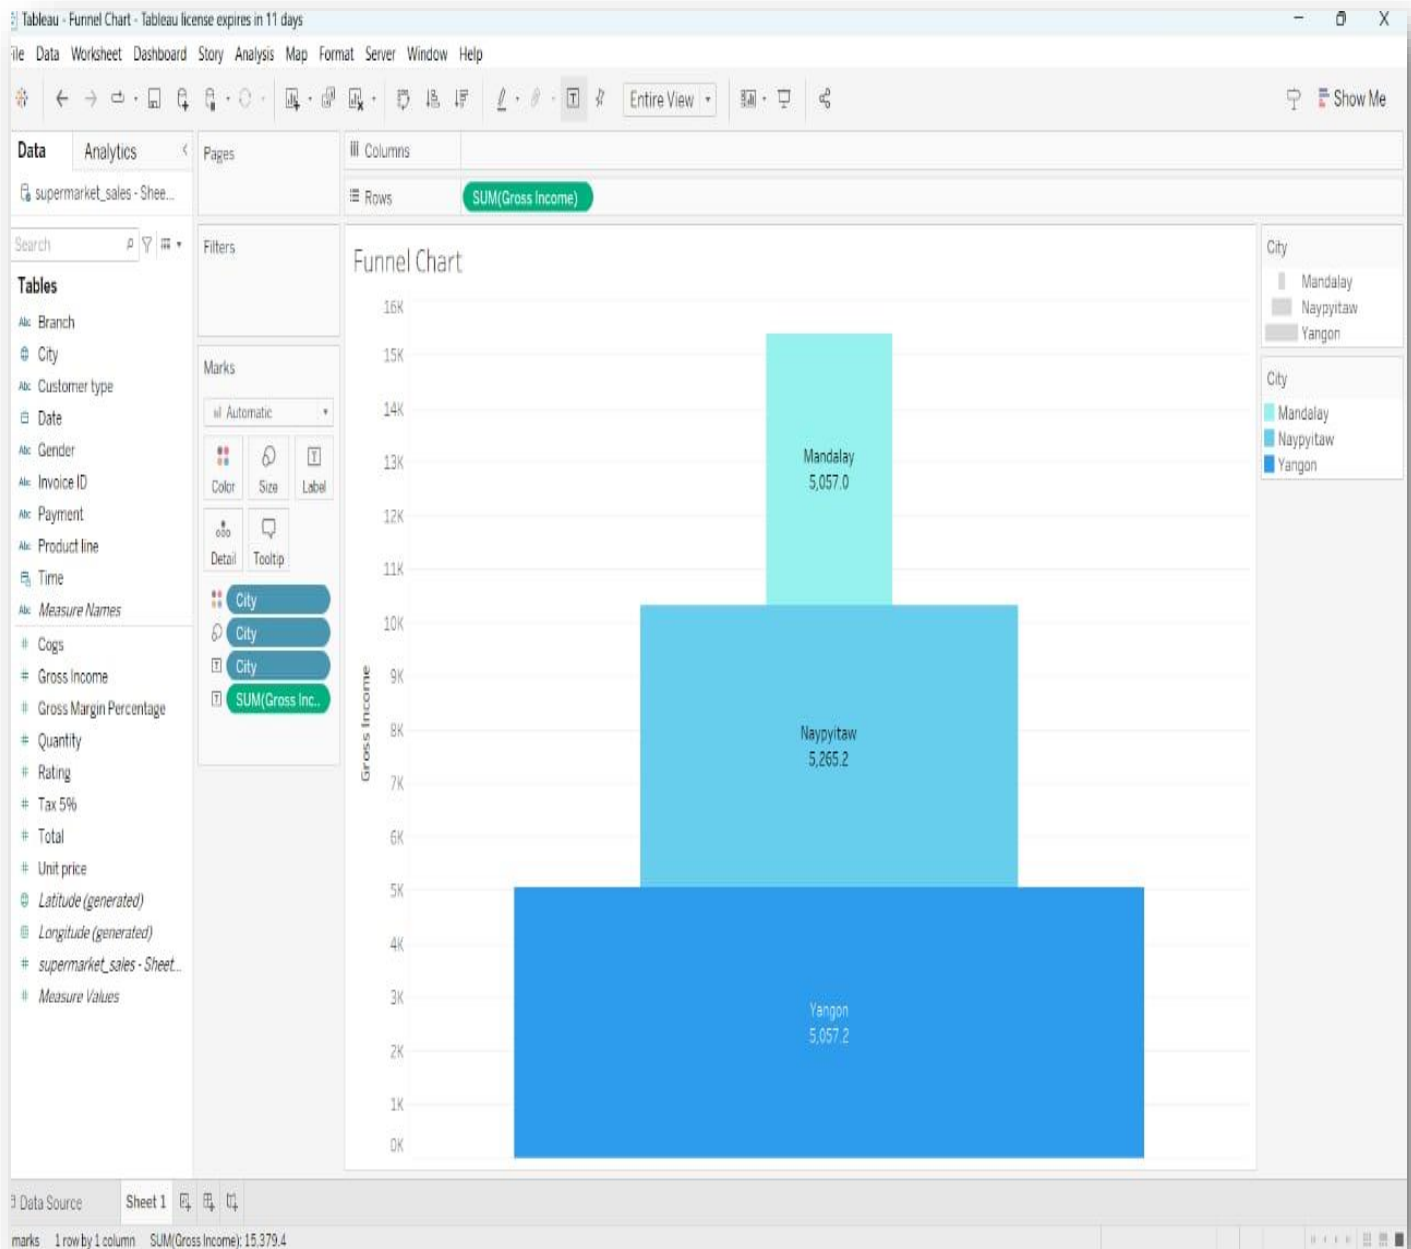

Highlighted table is similar to text table but here a specific field is highlighted. In the above table the average of cogs per every week for each and every product is highlighted.

Visualization 5- WORD CLOUD

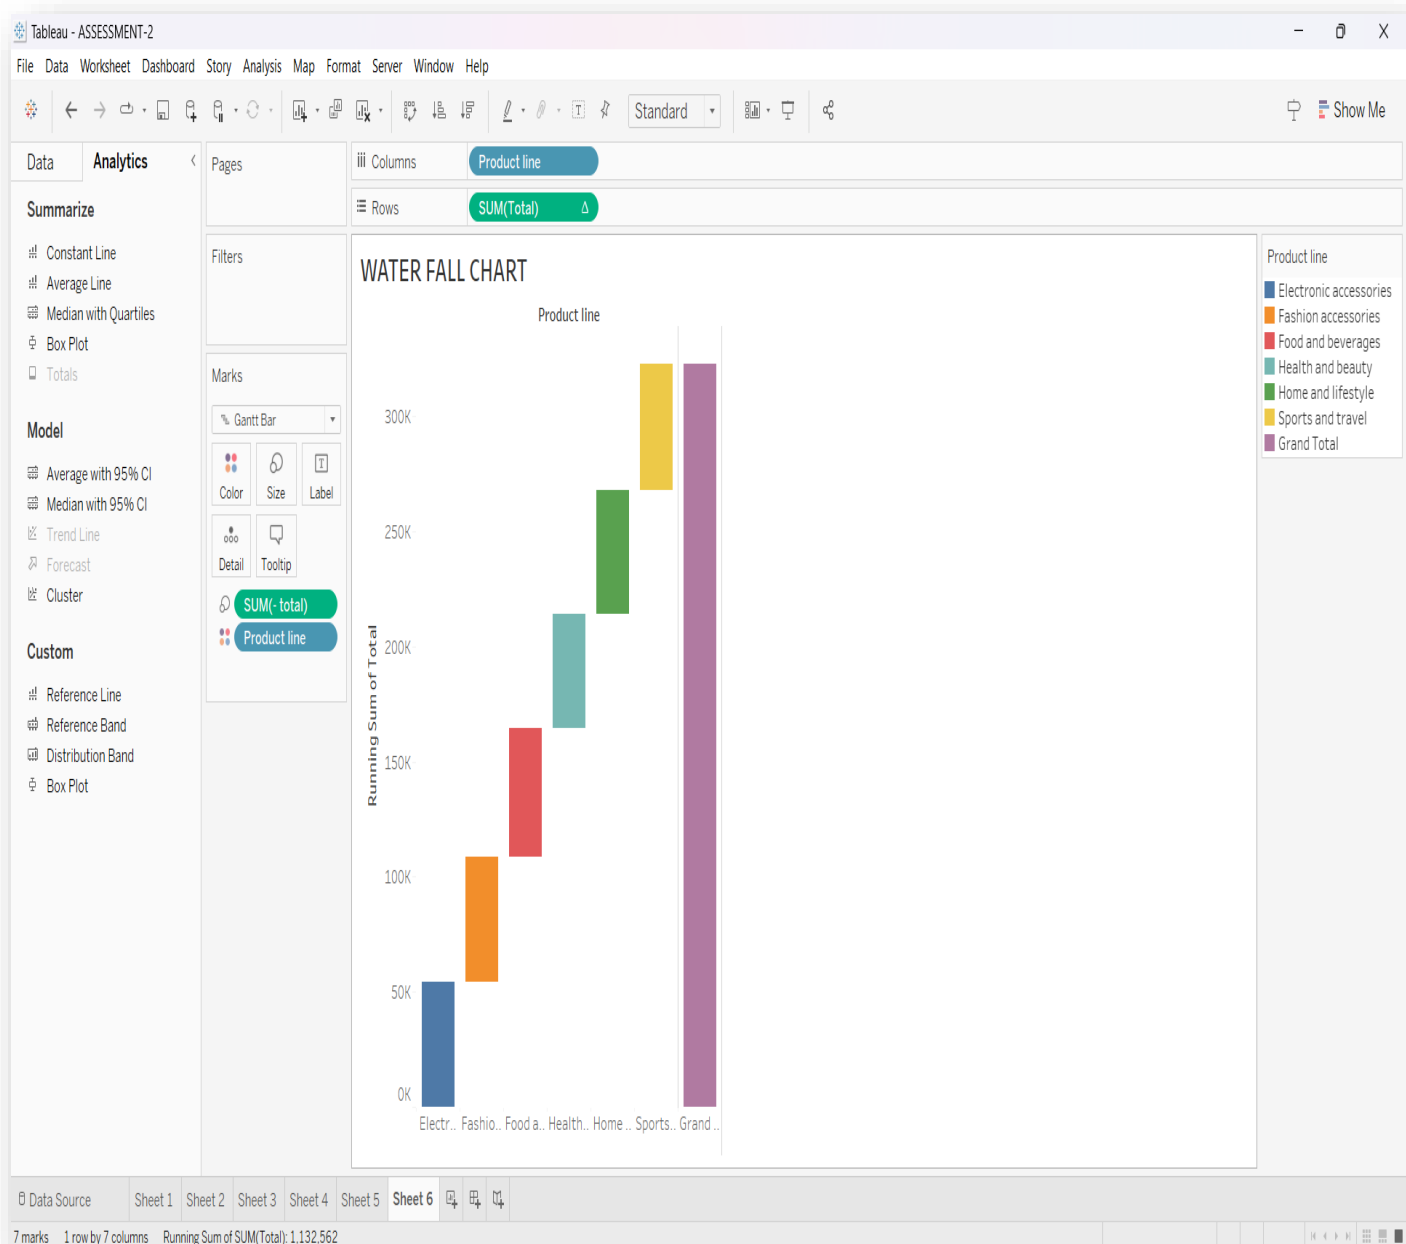

Here we have illustrated the word cloud for all the available products based on their count.

Visualization 6 – FUNNEL CHART

The above indicates the funnel chart for all the cities available and their gross income.

Visualization 7 - WATER FALL CHART

This illustrates the water fall chart for the product line and total as dimensions and measures.
